2. The facts of this case are:

being subject to intolerable pain. She asked me to call a ambulance and i did. I took care of my wife and in the midst of the cancer challenge we shared oneness and hope of defeating ovarian cancer. I would feed her pamper her and we were always united. We enjoyed one another we took trips together. When we decided to call for the ambulance i Muhammad Rashed made the call. We were taken to Washington Adventist Hospital, located in ~~Lacross~~ Iacoma Park, Maryland. Once we arrived at the Hospital we were interviewed, we, my wife and myself made it clear that if my wife could not represent herself which was the intake person's question to my wife, my wife clearly spoke and said that she chose her husband and made it verbally clear and i accepted to maintain loving care and devotion.

My wife and i stay together day & night. for the first week until her system vital signs began to drop according to the Doctors prognosis my wife was taken to the intensive care unit. In the intensive care my wife family was visiting and asked me to turn over assets if my wife didn't make. From that point Deborah Corbett Theodore my wifes sister, over

became very demanding about my wife's assets. I asked her why was she so concerned when I previously made it clear that we had talked and my wife informed me that she wanted me to take control of her assets. My wife's sister went on a slander campaign and defaming my person and created such a hostile situation all a product of her overactive imagination. I was entering the hospital when I overheard Debbie Corbett Theodore say very slanderous, defaming statements. I asked Debbie how could you tell those lies against me like that. She Debbie Corbett Theodore was relentless and while I was ~~grieving~~ grieving over my wife when she passed Debbie Corbett - Theodore was forewarned that her sister which is my wife had drawn up documents to express her intent and everything that was taken from me by Debbie Corbett - Theodore was under fraudulent circumstances, conspiracy against my rights. My wife informed me that I might be subjected to some wicked behaviour from her family. My wife was so right. Now I am prepared to defend against the evil and expose her and Washington Adventist Hospital for becoming a part of this ugly matter. I went before various agents of the political sub division of Montgomery County. My wife's sister tongue of lies and Washington Adventist Hospital impairment of contract gave my wife's sister the upper hand in sin.

3. The relief I want the court to order is:

☐ Damages in the amount of: _____

☐ An injunction ordering: _____

☐ Other (explain) _____
